Dear respected friends and colleagues

Warm greetings. On behalf of Kagawa University, I would like to extend my thanks to your office for all the good work done with regards to the collaboration between our institutions. Amidst the uncertainties revolving around COVID-19, we hope that your office is handling the situation well.

I have two important announcements to make: (1) Opening of applications for Sanuki Program (2) Offer of JASSO scholarship.

### **(1) Opening of applications for Sanuki Program**

We are pleased to announce the opening of applications for our October 2022 ‘Sanuki Program’ intake (<https://www.kagawa-u.ac.jp/kuio/isc/sanuki-program/>). Please note that all application related transactions (emails, etc) are executed only via your office (not via students). In addition, please be advised that we request for a short online interview with the student as part of the application process.

To apply, please fill in the web application form.

(URL: <https://forms.office.com/r/cG7KhXfRvz> )

Thereafter, please submit all documents in electronic format, as attached files through the email to my colleague, Mr. Shuma Matsuka (email address: [matsuka.shuma@kagawa-u.ac.jp](mailto:matsuka.shuma@kagawa-u.ac.jp)). We shall then check the documents for accuracy. If there are errors or incomplete items, we shall advise the applicants to rectify them. After all checks are done and verified, we shall apply for the Certificate of Eligibility (COE) at the Takamatsu Immigration Office. (If hard copies of documents are required, we shall let you know.)

### **(2) Tentative Offer of JASSO scholarship**

We are fortunate to be able to offer a limited number of JASSO scholarships for the academic year 2022. As such, we would like to know if your office is interested to nominate (up to two) students for this scholarship.

The tentative offer is as follows:

Number of scholarships: 2 (two)

Eligibility: Undergraduate students with good standing and high GPA (refer to ‘Note on GPA’ in ‘Document Check List’ of application documents). Students should not be receiving any other scholarships.

Major of recipient: Unrestricted (can be any major)

Scholarship stipend amount: 80,000 Yen per month for 5 months (Oct. 2022-Feb. 2023)

Transportation: All transportation (air and land) costs from home country to Kagawa should be paid by students themselves.

Accommodation: We shall try our best to provide a room in one of our dormitories. Otherwise, we shall assist the student to find accommodation in private apartments.

### **Documentation schedule (tentative, dependent on Covid-19 situation)**

- ✧ 31<sup>st</sup> May 2022 (Tue): Deadline for submission (web application and electronic documents)
- ✧ June 2022: Application for Certificate of Eligibility (COE) at the Takamatsu Immigration Office.
- ✧ July 2022: Application for College Visa from Japanese Embassy (After receiving COE)
- ✧ July/August 2022: Preparation to come to Japan, purchase of flight ticket

30th September 2022 (Fri): Arrival at Takamatsu Station, Kagawa

**Note on the Covid-19 situation:**

- Depending on the severity of the situation, we may decide to either postpone or cancel the program.
- Currently, international students are permitted to enter Japan if proper procedures are followed.
- In any case, students bear all travel costs (e.g., hotel fees during quarantine) related to entry procedures.

If you need clarification on any aspect of the program or JASSO scholarship, please let me know. In the meantime, we look forward to receiving your responses and applications.

Yours sincerely,

Lrong Lim, PhD
